Customer shall comply with all applicable laws and regulations. Customer shall not export or re-export the Services, or any portion thereof, directly or indirectly, in violation of applicable laws, including, if applicable, United States export administration laws and regulations, to any country or end user, or to any party who Customer knows or has reason to know shall utilize them in the design, development, or production of nuclear, chemical or biological weapons. - 14.3. **Force Majeure.** In no event shall either party be responsible or liable for any failure or delay in the performance of its obligations hereunder (except for any payment obligations) arising out of or caused by, directly or indirectly, any circumstances beyond a party's reasonable control, including but not limited to natural disasters, acts of government, floods, fires,

earthquakes, pandemics, epidemics, government-mandated quarantines, publicly declared states of emergency, civil unrest, terrorism, strikes or other labour problems (other than those involving such party's employees), internet service provider or other technical infrastructure failures or delays (subject to the Service Level Agreement in the case of AlayaCare), or denial of service attacks (a "Force Majeure Event"). Where there is any conflict or inconsistency between the provisions in the body of this MSSA and any Order Form, SOW or other addendum, the order of precedence shall be: (1) the applicable Order Form, (2) this MSSA, and (3) the applicable exhibit or addendum (in the order of preference of the exhibits and addenda as specified in the Order Form). Notwithstanding any language to the contrary therein, no terms or conditions stated in any document provided by Customer shall be incorporated into or form any part of this MSSA, and all such terms or conditions shall be null and void.
- 14.5. **Attorneys' Fees.** Customer shall pay, on demand, AlayaCare's reasonable attorneys' fees and other costs incurred by AlayaCare to collect any fees, charges, or damages due to AlayaCare under this MSSA.

However, either Party may assign this MSSA in its entirety (including all Order Forms) without the consent of the other party to its affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets not involving a competitor of the other party. This MSSA shall bind and inure to the benefit of the Parties, their respective successors, and permitted assigns.
